A text version of the message is not available. Please refer to TEXT.htm.

I am updating everyone's access to the facial recognition so only those who attended the training will have access. If you want to give anyone else access to it or if I missed someone who was in class, feel free to change them back. I'm also changing their expiration period to 90 days. That can be changed back too, if you want, but I figure everyone who uses it will get in there at least once every three months.

Marian
